 - (b) "Vacancy" shall mean any certified position opening created by the resignation, dismissal, nonrenewal of contract, transfer, or death of a certified staff member of a local school district, or a new position created in a local school district for which certification is required. However, if an employer-employee bargained contract contains procedures for filling certified position openings created by the resignation, dismissal, nonrenewal of contract, transfer, or death of a certified staff member, or creation of a new position for which certification is required, a vacancy shall not exist, unless certified positions remain open after compliance with those procedures.
 - (2) (a) All appointments, promotions, and transfers of principals, supervisors, teachers, and other public school employees shall be made only by the superintendent of schools, who shall notify the board of the action taken. All employees of the local district shall have the qualifications prescribed by law and by the administrative regulations of the Kentucky Board of Education and of the employing board. Supervisors, principals, teachers, and other employees may be appointed by the superintendent for any school year at any time after February 1 preceding the beginning of the school year. - (c) When a vacancy needs to be filled in less than thirty (30) days' time to prevent disruption of necessary instructional or support services of the school district, the superintendent may seek a waiver from the chief state school officer. If the waiver is approved, the appointment shall not be made until the person recommended for the position has been approved by the chief state school officer. The chief state school officer shall respond to a district's request for waiver or for approval of an appointment within two (2) working days.
- (d) When a vacancy occurs in a local district, the superintendent shall conduct a search to locate minority teachers to be considered for the position.  - No relative of a superintendent of schools shall be an employee of the school district. However, this shall not apply to a relative who is a classified or certified employee of the school district for at least thirty-six (36) months prior to the superintendent assuming office, or prior to marrying a relative of the superintendent, and who is qualified for the position the employee holds.
